

FIRST COMMUNION INVESTITURE REMINDER

Sunday, March 4th at the 9:30am Mass, parents and children preparing for the sacred event of First Communion will take part in the celebration of Investiture.

Investiture is a commitment made by parents to nurture their child in the faith formation and preparations of receiving the Body and Blood of our Lord Jesus. Children will also be addressed by asking their readiness in beginning the journey towards First Eucharist. Furthermore, the community will pledge to offer loving support and prayers throughout the process and beyond.

Following the homily, Mrs. Huff will be calling forth parents and children to the altar steps. Parents should plan to stand behind your child, placing your hand on your son or daughter's shoulder as an outward sign of your role as the primary educator and former of faith.

Upon arrival, families may sit wherever they wish but are encouraged to avoid sitting in the very back.

We look forward to your presence!
